

Portals of Glory

Steve Porter

The Lord has prepared a table for those that are hungry for more of Him. He stands bidding us to be partakers in his holy presence. He is calling those that want to move past the holy place through the veil into the Holy of Holies.

A deep longing is being birthed in the heart of His bride for divine encounters of the God kind. Not seeking his hands but His face. He is opening portals of His glory for us to encounter. His bride will not stop until she has experienced His majesty. These portals contain the atmosphere of Heaven; they are a direct link between heaven and earth.

Can we experience the same atmosphere as from the throne room? Does God desire for His manifest presence to invade this earth? Yes! God is pouring out His spirit upon the spiritually thirsty and the spiritually discontent. He is creating portals from the throne above the lives and places that seek Him full heartily. Many are already walking in this realm.

There are deeper dimensions in God (John 14:2) we have not yet entered. Places in the spirit we have not seen. These portals of His glory are pouring out on those that desire the deeper realms of the spirit. A direct connection to the atmosphere of heaven is being granted to those who fully have submitted to loving Him.

I love them that Love me. Those that search for me will surely find me. Proverbs 8:17 (NLT)

Divine mysteries are being revealed. Kingdom revelation is being stamped on the lives of those that hunger for the deeper realms of God. God's secrets are being whispered in the inner ears of His bride that wait for a portal to open in their secret place with Him.

But we know these things because God has revealed them to us by his Spirit, and his Spirit searches out everything and shows us even God's deep secrets. 1 Corinthians 2:10 (NLT)

We are living in the end times where God will begin to pour out His spirit on all flesh. A divine portal will open and His glory will fall upon His bride once again. The moving of His spirit will refresh her. The bride will have her revival.

Full gatherings of hungry lovers of God will experience a portal of glory being opened over their meetings. Signs and wonders, healings, miracles, and deliverances will take place, as a deluge of His spirit is unleashed. How can anything stand tall when His majesty is revealed? When God opens His spout where the glory comes out, sickness will bow the knee to the King of Kings.

God will even do a fresh new thing. Some will misunderstand; others will embrace the new thing. In the last days full congregations will be healed. I see creative miracles happening as the light of His glory invades a place through a portal. Demons will tremble, as the church will be infused with the flames of His Spirit. Children will manifest creative arts and be entrusted with secrets from the throne room. That which has been shut up in the heavens will be released. Divine truth will be unsealed while the atmosphere of heaven will flow freely. Now is the time, the hour is late, prepare for the kingdom age, and get ready for deeper dimensions in God. Now is the season. The portals of glory are opening on those who seek first His kingdom and lean upon His breast to hear the heart beat of God as friend.
