There's Something Coming

A Brief Preview of End Time Events
Given in the Spirit.

Seeley D. Kinne

(The following article was set up, ready for printing as a tract, when the author was taken home. He was a prophet, indeed. Many of his writings which before were not understood are now made clear in the light of the present move of the Spirit. We shall doubtless see much more of his writings fulfilled as we enter into the blessed fullness of the Latter Rain visitation. For this reason we publish this, the last of his writings. Ed.)

Old friends of past years drove through from Granite City, Illinois, coming to me September 29, 1949. We had a very glorious time, for the Lord came also in great power. While we were conversing about the Latter Rain happenings, the Spirit came upon me very strongly, marching me back and forth saying in a loud voice five or six times: "There's Something Coming." My voice is badly weakened which made it the more miraculous. This was so miraculous and important it seemed it should have been given to a great congregation. I wondered why it came. About a week later the Lord told me to write as I am now beginning.

God Almighty has been condescending to man, giving him privileges of great parts in redemptions plans, which he has sadly failed to use. He has become terribly degraded and has lost out much of the salvation plan, until the Lord can bear his sin no longer. He is therefore about to close up earth's affairs by His own sovereign will and way, that is by INTERVENTION, independent of man and his efforts. Nor will HE allow miscarriages.

In considering this symposium of End

Time Events we are to look first at the group called

JUDGMENT

1. If you seek the Lord for closer relations, He will deal with your character flaws in judgment to amendment. Heb. 12:5-8.

2. Are you a formalist without life? Repent and be born from above, or you will be cast out. Beware! Oh, beware! lest He say, "Depart from Me! I never knew you!" Except you receive life, there is no hope.

3. Communism is an extreme revolt against theoretical Christianity. It knows not the true. It will inflict severe judgment upon America, and go to Palestine. Just when the Communists seem about victorious the Lord makes His heavenly charge of fire from Heaven and destroys the wicked, ending their career.

4. Satan is bound and cast into hell for a thousand years.

5. The nations of earth become the Lord's kingdom, with

6. Restored Israel in the lead.

FORMER RAIN RETURNS

7. Another group of experiences are those of Apostolic times, which culminated in mature Sons of God who were martyrs. They were endowed with the gifts of the Holy Spirit: tongues, interpretation, prophecy, healing, delivering from evil spirits and bondages, miracles, wisdom, knowledge, discerning, revelation, visions, dreams and individual gifts, etc. "Dividing to every man severally as He will." 1 Cor. 12:11.

THERE'S SOMETHING COMING

Continued from Page 7.

8. These gifts are now being restored to the Church by the Lord. This gracious outpouring or heavenly visitation brings on a great revival of the miraculous works of the Lord, and a great ingathering of souls.

9. It also is an aid to the bringing forth of a select company that is to associate with Jesus Christ, variously called, manchild, Sons of God, Bride, Lamb's Wife. This is the highest attainment offered to man. They are associates and assistants of the great King Jesus in the conduct of earth affairs. This requires the most thorough overhauling of character by the power of the Lord.

10. You must get into the workings of the Spirit and be transformed. To get into the power of the Spirit and stay where He can continue to work in you is all important.

LATTER RAIN

11. A third cluster of Divine impartations is called Latter Rain. It is not exactly the same as Former Rain, though coming in the same month. Much of it is new to us.

12. With Satan and ungodly governors abolished, somewhere along the line, there will be need for a school of government to prepare governors, senators, jurists and the like. Oh! what vast changes to make the world fit for Jesus to rule over!

13. This is a brief outline of the important occurrences in connection with the coming of Jesus Christ to take possession of this world, renovating it and making it fit for righteousness. In due time and on suitable occasions, individual articles on the different subjects will be written by those moved so to do. Meanwhile, see that you become a son (Rom. 8:14), a joint heir with Jesus Christ, an heir of God.

Zion; put on thy beautiful garments, O Jerusalem, the holy city: for henceforth there shall no more come into thee the uncircumcised and the unclean." Isa. 52:1. This is the day when our King of Salem would cause us to inherit, as never before, the rest and peace of Canaan's heritage. This is the day when our heavenly High Priest would lead us into the very Sanctuary of His glory, and cause us to behold the beauties of holiness, and indeed, partake of that holiness.

A Royal Priesthood is our heritage! True, the saints desire to reign; but how little do we know of the priesthood of our royal authority. God wants us to reign as priests upon the throne: to be clothed upon with the garments of His graces, to minister and wait before the Lord in the Sanctuary, to wash at the Laver of His cleansing Word and Spirit, to eat the bread and to drink the wine, to trim the lamps of our testimony, and to enter into the Holiest by the new and living way which has been opened up for us "Through the Veil, that is to say, His flesh." And for what purpose? Certainly for none other than to minister the power and authority of the Heavens to a world which groans for deliverance and salvation.

Christ reigns as Priest! May God hasten the day when we too shall reign in life by Christ Jesus, as a royal priesthood—administering the very power and resurrection life of Jesus Christ to a world in bondage. The Head is exalted; the Feet must yet trod the pathway of His sufferings and enter into the same glory.

Therefore, O King of Righteousness, and King of Peace, bring forth "The bread and the wine" and may we feast evermore upon them—not as profitless flesh, but in the Spirit, conscious that Thou art seeking to restore "Righteousness, and peace, and joy in the Holy Ghost" in the Kingdom of the Saints.
