People of God AWAKE!

Seeley D. Kinne

ARE WE AWAKE!

ARE YOU AWAKE?

CAN YOU BE AWAKENED?

Or shall the Master say, "Sleep on now! The all important opportunity is passed!" (Mark 14:41)

"Wherefore He saith, Awake thou that sleepest, and arise from the dead, and Christ will give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is." Eph. 5:14-17.

absorbed and swallowed up with the importance of this hour and battle? Do we know this is a most momentous hour in history? Do we realize what God is doing and about to do, or are we swamped by lesser things, by trivial things, by things earthly, by things of time and sense?

Has the call of God ever come to you? Did you ever heed it? Are you utterly absorbed and swallowed up with the import of that call? Shall we men upon whom is the call of God, fail Him in this last crucial hour? Must the Lord close this age, the while deprived of the fellowship and use of the ministry of the men He has chosen to assist in that momentous affair? And we miss the God-given opportunity and privilege of being instruments in His hands, to accomplish His great Divine purpose? The reason being, He could not awaken us; He could not get our blindness healed; we could not be made to realize the greatness, the tremendousness of what was going on! As Jesus said: "Are ye also without understanding?" "How is it that ye do not understand?" "Then I opened He their understanding." Is it possible for God to get at you and open up to you His great plans and purposes

for this hour, (Amos 3:7) so that you can see and understand, in order that He can successfully engage for you to fulfill your part of what He is doing by His ministers?

Great, very important and far reaching influences, currents, conflicts and movements on earth and among men, are originating from Satan or else from God, conflicts for control and supremacy. There has risen up a group of nations whose aim is the domination and enslavement of the whole race. Their aims are wholly selfish and diabolical. They deny and defy Almighty God—defy His laws and His worship. They

It is Wicked to be Indifferent!

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." 2 Chron. 7:14.

have no regard for personal rights. The Japanese have rushed in upon us after elaborate preparations. Psalm 79:1 has been repeatedly brought to me: "O God, the heathen are come into Thine inheritance." If only our nation would awaken to pray, Japan's success would soon cease. Their doom will come.

Currents of satanic origin, phsyical cults and familiar spirits are gathering millions into groups, bound and ready for last day worship of the beast.

A deadening sleeping power seems administered everywhere. Warning voi-

ces find it exceedingly difficult to awaken people to the terrific danger at hand. All hands are asleep!

God is also launching wide reaching currents of His power, last day power, for the purpose of closing the Gentile age, also to perfect overcomers, bring in the millennium, cast down Satan, rid out the tares, and for the saints to possess the kingdom.

To assist in the accomplishing of these revolutionary changes, God is looking for men whom He can use. But so far the Lord has found it exceedingly difficult to bring these men to be understandingly awake to His present new and powerful last day movements.

Busy! They are so busy! Not a minute to lose! Like the man who was so busy he had no time to attend to his own personal business! They are so busy for the Lord, they have no time to be with the Lord. They cannot take time to be still and hear the Lord, and know what He wishes to bring them into.

To fully awaken and enlighten men to present hour movings of the mighty Jehovah, to qualify for a position in God's ranks is no slight task. It requires an awakening, an alertness, a keenness of vision, insight and perception, attainable only by direct and constant contact with the Holy Spirit. It is required also that the Holy Spirit become our Teacher. Are you awake? Are you really awake to the issue of the hour? Blow a bugle blast! Sound an alarm in Sion! God is calling! Who will hear? (Joel 2:1).
