

## A Supernatural People

SEELEY D. KINNE

It is the present design of the Lord to raise up a supernatural people, recreated and saved to the uttermost; a prophetic army who shall be used by the Lord to accomplish the great and mighty plans and purposes of God in this the Day Jehovah. That this plan of the Lord should fail is impossible. It will be entirely carried out. His purposes never fail. Satan has sought for ages to defeat them; but in spite of man's weakness and Satan's power, God's foreordained program will be completed, and Satan's finish will be the bottomless pit and the lake of fire.

A supernatural people is a group who live in God. They are possessed and controlled by the Holy Spirit. Christ is in them. They walk in the Spirit; they sit with Christ in the heavenlies; and they have embraced the cross until the natural life has been crucified and they are separated from its independent activity and is absorbed by the new heavenly life of Christ Jesus.

This prophetic army of the Lord is described in Joel 2:1-11 and Isaiah 13:1-11. God calls them "my sanctified ones," "a great people and a strong," "The Lord shall utter His voice before His army: for His camp is very great."

This voice of the Lord comes forth through the mouths of His servants, foretelling determinate prophecy. This word of prophecy is their weapon of warfare. It is the word of the Lord, a two edged sword. With this weapon, the Lord will hew the nations and slay them with the words of His mouth. Hosea 6:5. This is a part of the manifestation of the sons of God meeting the expectation and groaning of the creation. Rom. 8:19-23. Out of this company will come the overcomers who will become the manchild, the bride, and be caught up to the throne of God.

### No More

Is. 1x. 20.

O past and gone!

How great is God! how small am I!

A mote in the illimitable sky,

Amidst the glory deep, and wide and high

Of heaven's unclouded sun.

There to forget myself for evermore;

Lost, swallowed up in love's immensity,

The sea that knows no sounding and no shore,

God only there, not I.

## Need of Enlarged Vision

S. D. K.

"There is none that calleth on Thy name, that stirreth up himself to take hold of Thee." Isa. 64:7. It is the call of the hour to seek God and lay hold upon Him.

There is something that has been on my heart for months. The ordinary vision of God is too small, far too small. We see things of earth through the natural channels of reason and observation, and our idea of God is mostly formed in the same way. Thus, we have greatly limited our conceptions of the Almighty God.

This may be remedied by magnifying God in our preaching, and by experiences such as we find recorded in the Scripture. Ezekiel says, "The heavens were opened, and I saw visions of God." "I saw also the Lord sitting upon a throne." Isa. 6:1 "The Lord will come down in the sight of all the people upon Mt. Sinai." Read Ex. 19:10-20. Many other occasions could be cited. Personal revelation of God to men is of great benefit in humbling man and exalting the vision of God. God is too small in our vision. We must get an enlarged sight of His greatness, His Almightyness. "Judge not the Lord by feeble sense."

"Show me Thy face, one transient gleam  
Of loveliness Divine,  
And I shall never think or dream,  
Of other love save Thine."

One overwhelming sight of the glory of Christ, and "the disciples fell on their faces, and were sore afraid." Matt. 17-7. We should seek the Lord till He manifests Himself to us and gives us some realization of His infiniteness and almighty. He is so vastly above all we can think that we greatly need to have a revelation of Him.

There is a move of God on. He is about to return to earth. The foregleams of His coming are about to shine forth. Do you not wish to get into this Divine revelation? Are you moveable? "Holy men of old spake as they were moved by the Holy Ghost." Again God will move holy men to speak His mighty, living Word. We want not only to be known as the Forward Move, but be on the move in God. The Lord has been giving one thing after another the past year, things we did not know. He is no respecter of persons. He wants to say things to you, if you are open and responsive. He is speaking to others. God is willing to speak to you and through you. Will you let Him?
